

# Human Resource Audit: An HR Check-Up

A program designed to look into and  
analyze your employment  
practices.

**DOWNEY | BRAND**  
ATTORNEYS LLP

# 1 program

Downey Brand provides a comprehensive analysis of your employment practices – an HR check-up.

# 2 analysis

Working with your Human Resources personnel, we analyze your company policies, employee classifications, file maintenance, overtime calculations and training programs.

# 3 report & recommendations

We prepare a written report providing detailed recommendations for improving your employment law compliance.
